

July 19, 2016

Good afternoon,

On behalf of the Trust we want to thank you again for taking time out of your busy schedule to join us for the follow up webinar scheduled for July 20th 1-2:30 pm. We will provide an overview of the opportunities and recommendations that emerged from our facilitated work session in early July where participants were gathered to help identify important opportunities related to Medicaid and Criminal Justice Reform and to think about how we can best leverage these opportunities as partners and collaborators to improve the lives of Trust beneficiaries.

To connect to the webinar, please use the following instructions:
